John J. Wright Alumni Association Newsletter

WE WANT YOU!!!

During World War II, this was a familiar saying seen all over posters along side that famous picture of Uncle Sam. The message was...if you are willing and able we want and *need* you to serve. The John J. Wright Alumni Association is extending that same invitation to you, if you are willing and able we want and need you to help us help *our* community.

Please join us on Saturday, May 5, 2007 at 1 p.m. in the Fellowship Hall at Bethlehem Baptist Church.

This is an amazing opportunity to help our youth realize higher education. In addition, we can invest not only in their financial future but affect the fabric of our community through the sharing of your gifts and talents.
